

# SCOUTS - HELP WITH UNIFORM SIZING

## General Guidance

**Activity Trousers, Belts, Shorts, Sweatshirt, Fleece and Waterproof Jackets** - many of the Scout products listed in each section are worn by other sections as well. If the size you require is not on the page you viewed try the uniform page for another Scout section. In age/size order these are Beavers (smallest), Cubs, Scouts, Explorer Scouts and Scout Movement (Fellowship, Network).

**Sweatshirts** - the measurements are larger than those in school sweatshirts of the same size.

**Activity Trousers** - tall children may require a larger age size. Allow for growing room. Tall Scouts may require an adult size.

**Smart shirt** - there is a big jump in dimensions from XS to S. Buy for growing room.

**Blouses** - girls sizes are small fitting.

**Polo Shirts** - these are smaller in size than equivalent sweatshirts.

**Hats** - the size is shown in inches and cms. If the size is not known measure the circumference of the head.

**Sea Scout Jerseys, Hats and Leaders Caps** – these are only available to specific orders.
