

SCOUTS - HELP WITH AGES

BEAVER SCOUTS

The Beaver Scout age range is from six to eight. Children can join Beavers after the age of five and three quarters if it is considered appropriate by the Leader.

CUB SCOUTS

The Cub Scout age range is from eight to ten and a half. No children can join the Cub pack below the age of eight.

SCOUTS

The Scout age range is from ten and a half to fourteen. Scouts may move on to Explorers between the ages of thirteen and a half and fifteen.

EXPLORER SCOUTS

The Explorer Scout age range is from fourteen to eighteen. Scouts may join Explorers between the ages of thirteen and a half and fifteen and may move on to Scout Network between the ages of seventeen and a half and eighteen and a half.

SEA AND AIR SCOUTS

The age ranges for Sea and Air Scouts are the same for other Scouts.

SCOUT NETWORK & ADULTS

The Scout Network age range is from eighteen to twenty-five. Explorer Scouts may move on to Scout Network between the ages of seventeen and a half and eighteen and a half. Members must cease being a member of Network on reaching at the age of twenty-five.
